

Tim Boyd

(This interview was first published in October 2011)

1. What's your name, where are you from and how long have you been a member of the TS?

Tim Boyd. I joined the TSA in 1974.

2. Are you active in your Lodge/Section and if so, what do you do?

Since May I serve as President of the American Section (USA).

3. How did your first learn about Theosophy or come in contact with the Society?

My first exposure to Theosophy was as a late teenager. It came through an active, but unorthodox, TS member. In meeting him it was clear that whatever it was that gave such vibrancy and power to his life and words, I wanted. I became convinced that Theosophy, as a living and applied wisdom, was that something.

4. What does Theosophy mean to you?
